Thread Painted Landscapes

Nancy Prince

Workshop Description: My most popular workshop introduces the two thread painting techniques I use. Using my anyone-can-do-it approach, you will learn how simple thread painting is. A zigzag or straight stitch are the only stitches necessary to create amazing thread painted designs. No artistic skill is needed so come join us for a day full of fun. Simple designs have been selected to boost your confidence right away

Thread Painting Thread – 40 weight rayon or polyester

- Tree trunk - variegated dark brown (*available for sale in workshop*)
- Evergreens and tree canopy - several shades of different greens – at least dark, medium and light green (*all in the same color family*) and variegated green (*optional*)
- Fence – variegated medium brown
- Bring additional rayon or polyester threads in greens, browns, rust and yellow in your stash
