## Thread Painting Simple Flowers – Alpine Rose

### Nancy Prince

**Workshop Description:** In this fun and easy workshop you'll have fun playing with thread and discover how easy it is to blend thread. You will discover how to coax a straight or zigzag stitch to do the work for you. This is a great project for those that haven't tried thread painting before. Simple, quick and easy to master.

#### Thread Painting Thread – 40 weight rayon or polyester

- Petals – Medium dark, medium and light pink (all in the same color family), light yellow, off white, medium gray
- Petal center – Medium green, bright gold, light yellow
- Stems and leaves – Dark olive, medium olive, dark cranberry
- Clear invisible thread (*available for sale in workshop*)
- Bring additional rayon or polyester threads in greens, pink, yellow, white and gold in your stash

NOTE: I am more interested in you learning a technique rather than having the right color of thread. If you don't have the shades of pink shown, substitute another color family. If you don't have the shades of red and blue requested substitute another color family.
